RE: United States v. Jerremy Ortiz-Molina, 21-cr-173
(LJL)

Dear Judge Liman:

I represent Jerremy Ortiz-Molina in the above-captioned matter, in which sentencing is currently scheduled for June 14, 2022.

I write to respectfully seek an extension of just over one week's time to file objections to the draft Pre-Sentence Report ("PSR") — currently due on May 6, 2022 — to May 16, 2022. We received the draft PSR from U.S. Probation Officer Pamela Flemen on April 22, 2022. We have determined that we need additional time with our client to review the draft PSR, and we therefore request this additional time to file our objections. This is Mr. Ortiz-Molina's first request for an extension of time to file objections.

The Government takes no position on this request, and U.S. Probation Officer Flemen does not object to this request.

Counsel is mindful that Mr. Ortiz-Molina's sentencing submission is due May 31, 2022, and the Government's submission is due June 7. Should counsel require

an extension of time for Mr. Ortiz-Molina's sentencing submission (in light of the extension requested herein), counsel will promptly contact the Court.

Respectfully submitted,

/s/ Christopher J. Gunther
